CODE OF SUBJECT : SCSJ4383/ SCJ4383
NAME OF SUBJECT : SOFTWARE CONSTRUCTION
YEAR / COURSE : 3/4/SCJ/4SCJ

ASSIGNMENTS:

- PART A: Frameworks and REST

INSTRUCTION:

1. The submission deadline: **Week 15**

Please provide the following tasks:

1. Choose **ONE (1)** application (you can choose your case study OR different application).
2. Please develop your application for **FIVE (5)** functionality using a Any framework.
3. Choose **TWO (2)** of the functionality to be your RESTfull web-services.

Delivery:

1. Source code: Github link
2. Video in .mp4 format in which:
 - a. Less than 2 minutes
 - b. In .mp4 format
 - c. Less than 200MB
3. In the video, please explain:
 - a. How you setup the framework
 - b. How you setup RESTfull web-services.
 - c. Demo of your assignment.
4. Submit to the E-Learning.

Tips:

The mark is based on how you apply the framework and RESTfull web-services and not necessarily using a complex application.
